

Mill Road Day Camp

40 years strong

Summer 2012, Volume 1

Our spring Open House is coming, and we can't wait to see all of our camp families! Visit us on Sunday, April 15 from 11 am to 3 pm for a day filled with fun, food and activities.

You may not recognize the camp since the last time you were here! There's a lot of construction going on to create a cutting-edge facility! Bulldozers are grading the fields, and new grass is being seeded after our state-of-the-art irrigation system is installed. Tractor trailers are here every day delivering supplies including our new playground equipment and lots of lumber.

Activity Areas Open

Share your MRDC experience with friends! Bring them to the Open House

When they enroll, you'll get a \$200 credit toward your tuition!

All of the pools are getting overhauled with new pumps and filtration systems so the water will be sparkling clean; and two of the pools are getting new liners (Dara, head of aquatics, is very excited!). We're also extending the concrete deck around the Frog Pool so our campers can lay out to dry off after their swim. Program areas are getting new roofs and insulation, and our new maintenance crew is also checking out all the air conditioners so they will be ready for the summer. Every bunk has been evaluated and each is getting updated toilets and sinks. Did you know that we now have 33 potties for the campers and staff to use? No more port-a-potties at MRDC!

And, we'll be gutting the music building behind the office to create an air-conditioned 1200 sq. ft. indoor multipurpose room!

What else is new? Well, we added a commercial kitchen and covered dining facility with new picnic tables. Along with our updated kitchen and covered dining area comes a great new menu! We're so excited that you'll have the opportunity to sample our new menu at the Open House! As a nut

aware camp, we'll serve our delicious sun butter and jelly sandwiches (on whole wheat bread, of course!) as well as our delicious home-made mac and cheese. You can expect some other yummy surprises as well.

Campers who come to the Open House can participate in our special contest. You'll have a chance to check out all the cool things happening at MRDC, and the camper who lists the most changes will win a prize!

Both new and returning MRDC staffers will be at the Open House to welcome you and share their excitement for 2012!

Our Division Leaders will reveal plans for this summer including age-appropriate activities and our new daily camp schedule. Plus, we've enhanced the amazing MRDC program and will be introducing new activity areas while keeping your all-time favorites!

Don't keep it a secret! We need your help to rebuild Mill Road Day Camp! Tell your friends about all the wonderful changes at MRDC. Please bring another family to the Open House. When they enroll, you'll receive a \$200 credit for this summer. There is no limit to the credits you can receive. And everyone gets a special gift at the Open House just for coming. We can't wait to see you!

SCOOP on the staff

There are a lot of changes at camp including staffing. So here's the scoop...

Jordan has been a Mill Roader since he was a youngster, and moved effortlessly into a leadership role. And Jen recently re-joined the MRDC family.

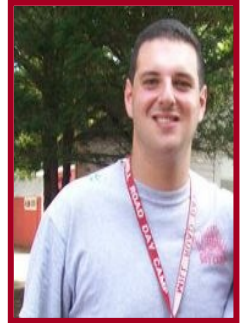

Jennifer

I am a true camper at heart! I am a MRDC alumni, and am so excited to be back! I live in Manalapan with my husband, Steven and our two children, Eliana and Jonah. I work in the camp office reaching out to families and helping to prepare all the fun new activities for summer 2012.

Jordan

I am a math teacher at the Somerset Academy in Bridgewater. I have been a member of the MRDC family for the past 18 years and consider MRDC my "second" home. This summer I am the Division Leader for the sophomore and junior boy divisions.

This summer I'm very excited to meet all of the wonderful MRDC campers and watch them flourish and make lifelong friends. Talk to you soon!

I am most excited to be celebrating MRDC's 40th summer and to be working along side friends I have made over the years. Above all else, I am excited for the positive and great changes that will make MRDC better than ever!
