

RECOMMEND A FRIEND PROGRAM - MILL ROAD DAY CAMP

We know that our best source of advertising is our campers, their parents and our staff. It is you who carry the word to other parents and families extolling the value of a Summer At Mill Road. Therefore, we want to give you an incentive to spread the word.

The stipend for recommending campers to Mill Road is listed below. There is no limit to the number of credits per family.

Camper registered for 4-6 weeks	\$50
Camper registered for 7-8 weeks	\$100

Recommend A Friend stipend checks are sent directly to you during after the end of camp.

Program Rules

1. Your child must be enrolled prior to the child(ren) you are recommending.
2. The recommended children must be from a family that has had no children enrolled during any previous summer and has not been a camper at Mill Road in the past.
3. The child(ren) enrolled must attend camp for and pay for a minimum of four (4) weeks. Campers who stay for less than four weeks do not qualify.
4. The parent of the recommended camper that is enrolling must indicate to us that the enrollment was on the basis of your recommendation.
5. Only one person can claim a new enrollee. If more than one person claims the same enrollee, the credit will be split equally.
6. This offer cannot be combined with any other offer.

If you have families to recommend, please fill in the forms below and mail or fax to us. If you need additional recommend a friend referral forms, just give us a call.

Once again, thank you for getting out the word about the value of a Summer At Mill Road.
