

FOR MILL ROAD DAY CAMP CIT ENROLLMENTS ONLY
SUMMER 2011

All CITs must select a group or specialty area assignment for placement.

Assignments are made on a first come-first served basis and based on date of enrollment.

CITs enrolled for eight or seven weeks will be given placement preference over 4 week enrollees.

If the CIT wants a camper group assignment, please fill in three groups they would like to be placed with. If the CIT wants a specialty area placement, please fill in the specialty areas they would like to be placed in. Together with these selections, all CITs must select whether they want an AM or PM time slot.

Those CITs who select AM will have their group or specialty assignment in the mornings for weeks 1-4. Starting with week 5, they will be transferred to the PM session. The same will be true for PM assignments which will be PM for weeks 1-4 and then transfer to the AM session during weeks 5-8.

All new CITs (**not a CIT last year**) **must** submit a copy of their birth certificate with their enrollment form.

If we do not have the group or specialty area that was requested, we will call the CIT for another selection.

If the CIT wants to be on the same schedule (AM or PM) with a friend, make sure that both request the same session and sign up at the same time.

Once assignments have been made, no changes can be made.
